MEMORANDUM

JANUARY 26, 2014

TO: DIRECTOR, FBI

FROM: SSA [REDACTED] SEATTLE, WA.

SUBJECT: AREA 29/RELATED ACTIVITY IN NYC/NJ

In light of the ongoing research into AREA 29, it seemed prudent to inform you of recent activity in the metropolitan New York area. Researchers at [REDACTED] [REDACTED] who have been studying AREA 29 in Seattle, Washington, have noted the appearance of similar extraterrestrial activity in the area of MetLife Stadium in East Rutherford, New Jersey. We strongly believe that this rise in activity is not coincidental, but rather, reflective of the impending arrival of the Seattle Seahawks, and in particular, of Seahawks defensive stalwart, [REDACTED].

We recommend bringing in the [REDACTED] research team immediately, and continuing further study. This is a remarkable opportunity not only to make contact with an extraterrestrial species, but to do so while potentially enjoying one of the greatest defensive performances in the history of the Super Bowl.
