FEDERAL BUREAU OF INVESTIGATION

MEMORANDUM

NOVEMBER 5, 2013

TO: SSA [REDACTED] WASHINGTON, D.C.

FROM: SSA [REDACTED] SEATTLE, WA.

SUBJECT: SEATAC UFO ACTIVITY

This is to inform you of unusual activity reported by Air Traffic Control at Seattle-Tacoma International Airport on November 3, 2013.

Between approximately 1 and 4PM Pacific Time, controller [REDACTED] detected a low-flying, unidentified object on radar moving at supersonic speeds in the vicinity of CenturyLink Field. According to [REDACTED], what was particularly unusual was both the rate of speed at which the UFO was going, and the extraordinarily short distances which it was covering.

Data from SeaTac computers is currently being transferred for further analysis.
