### **Justin Allgaier on Bristol Motor Speedway**

“When you look at the tracks that you’d like to get your first win at, Bristol is definitely one of them. For me, it’s a track that has so much history behind it, and knowing the prestige that comes with winning there, it would be unbelievable. If we were able to win this weekend at Bristol, it would be huge for everyone on this Verizon team.”

### **Crew chief Chad Walter on Bristol Motor Speedway**

“Bristol is probably the one track that Justin feels owes him one. We ran extremely well there last season in both events, and our attempt to improve upon a fifth-place spring finish was cut short entirely too early. Justin may be the ‘show within the show’ this weekend.”
