QUOTES

Carl Edwards on racing at Nashville Superspeedway:

"We'll be running the Valvoline paint scheme in Nashville, where we have had a lot of luck. Nashville is a beautiful place and one of my favorite places to race...I've got four of those guitars. The fans there really understand racing. It's a great points battle right now between Brad, Justin and myself and hopefully that continues. We're going there to win."

Crew chief Drew Blickensderfer on racing at Nashville Superspeedway:

"I'm looking forward to getting back to racing every week. I am especially excited heading into Nashville where Carl has seen success in the past. The team has had some opportunity over the past two weeks to get some rest but most importantly prepare this car for a win. The entire field this weekend is going to be extremely competitive...we have no choice but to bring our best in Nashville."
